

This will be a great evangelistic tool for these days!

ONCE BLIND

BUT NOW I SEE!

The life, stories and encounters one person has had with spiritual deception and spiritual powers from both heaven and hell. From sheer emptiness, to spirits, to supernatural experiences, powers and voices from the other side...*that almost took his life.*

How Russ Dizdar author of '*The Black Awakening rise of the satanic super soldiers and the coming chaos*' came from deep spiritual blindness to be embraced by God. This book will have many of his life stories, encounters with the dark side and will have Biblical Teaching/explanation in each chapter.
